OFF

Try us out and save 25% on your first residential water or septic service during regular hours. Experience the difference great customer service can make. Satisfaction guaranteed.

Choose the company that cares.

At Rebel Heart, we continually look for new and better ways to earn our customers trust and show them that we care about their needs. Give us a chance and let us prove it to you.

- ▶ Evening, weekend, and emergency services are available. Satisfaction guaranteed.
- ▶ We are 100% accountable to our customers. We use tracking software and digital flow-meters.
- ▶ We use service consultants, not a sales team, who work with you to find the right service schedule and payment method for your needs.
- ▶ Combine your potable water and septic services and save!
- ▶ Visa, Mastercard, Cheque, Cash, and E-Transfer are all accepted payment methods.

The Rebel Heart difference.

All Rebel Heart operators are fully qualified and possess all required certifications needed to get your job done safely. We have a strong safety culture, including a daily mandatory Field Level Hazard Assessments and Safe Work Procedures review.

Rebel Heart uses the latest communications software to link our departments. This ensures that your services arrive on-time, and that your bills are 100% accurate. With GPS tracking, and cloud technology, our drivers can provide real-time logistical data, ensuring you know where everything is at all times.
